

Is God (Really) Enough?

Win recently heard a speaker, a godly woman, describe experiencing a very painful betrayal.

The woman shared what she had learned:

God is enough.

As Win was mulling over what the woman had said, she also read of a poor village man in the developing world who said, "I don't have a house. I don't have a wife. But I have Jesus and He is enough."

Do we agree with these words while secretly holding on to an inner desire for something *_more_* than God alone? Are we retaining other options in case God's way and timing don't work out? Is God *REALLY Enough?*

Coffee/tea thought: Is God *_Enough_* for me today? "Yes, everything else is worthless when compared with the priceless gain of knowing Christ Jesus my Lord." (*Phil. 3.8 NLT*)

有神（真的）就够了吗？

Win最近听到一位敬虔的女士讲到她所经历的一段痛苦的背叛。

这位女士分享了她所学到的：有神就够了。

当Win在思想她所说的时，她听到一位来自发展中国家的贫穷村民说，“我没有房子。我没有老婆。但我有耶稣，有他就够了。”

我们会一边同意这些话一边又从内心深处想要神以外的东西吗？我们是否预备了其他的选择以防神的方法和時間沒有用？有神真的就够了吗？

随想：我今天真的有神就够了吗？“不但如此，我也将万事当作有损的，因我以认识我主基督耶稣为至宝。我为他已经丢弃万事，看作粪土，为要得着基督”（腓利比书3：8）
