

Integrity and Work 3

Integrity relates to *_wholeness_*, to being the same on the inside as the outside.

How can I enhance the process of becoming a person of integrity? It happens in little steps, such as each time I allow God's ways to influence positively my relationships with others.

Suggestion: For the next 30 days, let's allow the ancient wisdom of *THE IMITATION OF CHRIST* to govern our relationships with colleagues, family and people we meet:

- * Try to do what others want, rather than insisting on my own way.
- * Choose to have less rather than more.
- * Seek the lowest places in life, dying to the need to be recognized and important.
- * Always and in everything wish and pray that the will of God may be completely fulfilled in me.
- * Anyone who does this will come to a place of rest and tranquillity of soul.

-- from *THE IMITATION OF CHRIST* by Thomas a Kempis (early 15th century)

Coffee/tea thought: Only *_You_*, Lord, through the Holy Spirit, can give me the desire and the power to make these choices a part of my life. Thank You for working these things in me.

John

诚实和工作3

诚实关乎完全，是表里如一的。

我怎样成为一个诚实的人？需要一步一步，每次都让神在我的人际关系上做工。

建议：接下来30天，叫《效法基督》里所说的智慧引领我与同事，家人等相处：

- * 试试他人的意见，而不是坚持己见。
- * 少有时比多好。
- * 自己卑微，向着被认可和被重视死。
- * 总在凡事上愿神在我身上的旨意成就。
- * 每个这样做的人都能寻得魂里面的安息和平安。

随想：只有你，主，借着圣灵，才能使我愿意并叫这些选择真正成为我生活的一部分。谢谢你正在我里面做成这些。
